PancreasFest 2019

Team Science for Complex Pancreatic Diseases and
Pancreatic Cancer: Goals, Milestones and Methods

July 24 – 26, 2019 · Pittsburgh, Pennsylvania

Collaborative Medicine to Advance Knowledge in Pancreatic Diseases

Celebrating Anniversaries in 2019:

- 10th Anniversary of INSPPIRE
(International Study Group of Pediatric
Pancreatitis in Search of a Cure)
- 20th Anniversary of the NAPS2 Study
(North American Pancreatitis Study II)

PancreasFest 2019 is the annual pancreas research and clinical conference designed for gastroenterologists, surgeons, oncologists, researchers, and interested medical professionals. Lectures and discussion groups will mix with investigative research meetings to further the multidisciplinary understanding and treatment of pancreatic diseases. **PancreasFest 2019** will feature discussions on pancreatic cancer, pancreatic diabetes, and acute pancreatitis.

Course Directors

Randall E. Brand, MD David C. Whitcomb, MD, PhD
Walter G. Park, MD, MS Amer Zureikat, MD
Aliye Uc, MD

Location

William Pitt Union - University of Pittsburgh
3959 Fifth Avenue - Pittsburgh, PA 15213

This activity has been approved for AMA PRA Category 1 Credit.™

PancreasFest 2019

Team Science for Complex Pancreatic Diseases and
Pancreatic Cancer: Goals, Milestones and Methods

July 24 – 26 – PancreasFest 2019

2019 Focus Areas:

- Diagnosis of Early Chronic Pancreatitis
- Management of Acute Pancreatic Necrosis
 - Fluids in Acute Pancreatitis
