CALL FOR ABSTRACTS- 20TH ANNUAL RESEARCH DAY

May 11, 2022

In-Person Event at The Oaklander-
Virtual option will be available

DEPARTMENT OF SURGERY

WHO SHOULD SUBMIT

Any surgical investigator in training, including postdoctoral and clinical fellows, residents and medical students. Abstracts will be selected for presentation at the 2022 Department of Surgery Research Day, to be held on Wednesday, May 11, 2022. Basic Science, Translational Science, Clinical/Outcomes, Education, and health care disparities topics are welcome. Individuals may submit more than one abstract, but each author may only have one oral presentation.

ABSTRACT FORMAT

A 250-word abstract that presents a concise summary of research completed or in progress. This research may have been presented previously at a local or national meeting, but it may not have been previously published or be in press. The title must be brief and informative. The body of abstract must include Introduction, Methods, Results and Conclusions as separate paragraphs. A one-page table or figure may be submitted, which does not count toward the 250 maximum word count. Successful abstracts will include a strong statement of hypothesis, a clearly stated n , and evidence of appropriate statistical analyses.

SUBMISSION OF ABSTRACT

Submission of abstracts is by email only. Please note at the heading of the Abstract the following information: 1) name of investigator-in-training, 2) the supporting Principal Investigator, 3) Departmental laboratory. Please attach the abstract as a word document and send it to Amanda Greygor at greygora@upmc.edu

DEADLINE

April 18, 2022
